Lawrence v. Schwjep, et. al.
U.S. District Court, N.D. Fla, Case No.: 4:05cv14-RH/WCS

Dear Mr. Hall:

This letter is to confirm our conversation on September 2, 2005, concerning your office's release of confidential documents in my client's Bar admission case to attorney Stephanie A. Daniel. You advised me that the Florida Supreme Court authorized the release of this confidential material.

Additionally, I was told that although the Court authorized the release, there is no order or written documentation available for my review concerning the matter. If this does not reflect the information you provided, please advise me immediately.

Sincerely,

Dennis B. Dubuc
