January 21, 2005

Thomas A. Pobjecky, General Counsel  
Florida Board of Bar Examiners  
1891 Eider Ct.  
Tallahassee, FL 32399-1750

Dear Mr. Pobjecky:

This letter is to confirm my conversation today with your subordinate, Bruce Long, in which I was advised that when you prosecute Specifications against an applicant before a Board panel, you also draft the Board's opinion. If this is not the case, please advise me at once, as I intend to address this matter in our federal litigation.

Sincerely,

Frank J. Lawrence, Jr.
